PORTFOLIO

Situated in the central city of Christchurch, Portfolio is the South Island and Christchurch's premier Agency and Modelling School having provided the local, national and international industry with top quality and professional talent since 1992 when the Agency was first established. Our Agency is fully equipped with a catwalk, outdoor courtyard, easy access, front door parking, and plenty of space for meetings and castings.

Director Mel Radford Brown was one of the first models on the books at Portfolio when the agency first opened in 1992. Mel is also strongly assisted in the Agency by top Model also with International experience, Rebecca Dore who is the Agency booker.

Tutors Mel Radford Brown (Owner/Director) and Rebecca Dore (Model/Booker) between them have over 28 years experience hands on in the industry. From NZ/Australia to the UK. This vital experience is highly necessary to hand over to the young adults in many aspects of our course,

Portfolio has been operating Workshops since the Agency was established back in 1992, offering many years of experience, satisfying many students alike over the years. Our Workshops are proven. See our Testimonials for feedback. Our Workshop success is also highly successful and based upon many referrals & repeat bookings. Classes are kept small to enable each and every student to get the most out of our information and course criteria.

Students receive a Portfolio Certificate (Ideal for CV's) and images at the conclusion of the course. The images are worth approx \$150 per student alone. Goody Bags provided to the Adult Workshop are of a high value and include a voucher from Champs Elysees worth \$30. Blow Dry Hair Voucher from Corkin and Friends worth \$25, plus the inclusion of many other sponsors.

Our Workshops also provide a fantastic platform and opportunity to be signed by Portfolio 'The South Islands' Premier Agency'. We always keep an eye out for great new faces on our courses.
